A note for grown-ups

A playful printable workbook for children aged 6-8. Some reading and puzzle instructions may need adult help.

How to use it

Choose any activity. Let your child work at their own pace. Use pencils or crayons and celebrate trying, checking and creating. This book is for enjoyment and practice; it does not promise a learning result.

Printing

The PDF uses A4 pages. Print selected pages at 100% or choose Fit if your printer needs wider margins. Colouring pages are black-line drawings. Single-sided printing gives children room to work; printing and materials are separate from the digital purchase.

What is inside

24 original activities, including seven colouring scenes, a maze, word search, counting, patterns, matching and creative pages. Answer pages are at the end. Drawing and colouring activities have no single correct answer.

About this edition
